Title and Board Action Requested

Approve the Purchase of K-12 Mathematics Instructional Materials from Cengage Learning and Issuance of a Purchase Order for an Estimated Amount of \$91,875.00

Executive Summary

The Director of Secondary Programs, on behalf of the Superintendent of Schools, hereby requests the Board approve the purchase of mathematics instructional materials from Cengage Learning. A review team consisting of instructional personnel from all schools and district support staff collaborated in the selection of the materials. Florida Statute 1006.28 requires districts to select and provide instructional materials aligned to the Florida Standards for all students. The 2021-2022 Mathematics adoption is aligned to the new B.E.S.T. standards as required by the Florida State Department of Education.

This is for Math for College Liberal Arts, a newly adopted course for the 2022-2023 school year. This is the bundle of print+digital. This is an “Off list” title, meaning that it was not bid as part of the state adoption process. No books were on the state adoption bid list for approval. This book comes at the recommendation of the editorial team at Cengage based on how it aligned with the FL course.

2018-23 Strategic Focus Area

Pillar 1: Student Achievement

Financial Impact

The cost for this agenda item is \$91,875.00, see attached budget sheet.

If expenditure is not currently budgeted, this will serve as the budget amendment when Board approved. If the agenda item includes the purchase of goods or services, the funds requested are an anticipated amount and may fluctuate depending on such factors as current market conditions, product availability, additional funding sources, and the needs of the District. Should the actual cost exceed the anticipated amount, the Board approves the additional cost, after review by the superintendent, but not in excess of the funds available in the site’s approved annual budget.
