

## Hernando County School District

### Partnership Proposal - *Florida's B.E.S.T. Standards for MATH Algebra 1, Geometry, Algebra 2*

National Geographic Learning and Big Ideas Learning are delighted to partner with Hernando County School District on a successful implementation of our Algebra 1, Geometry, and Algebra 2 curriculum. Our teams are here to ensure that every teacher has the support needed to impact student outcomes and advance learning in mathematics. Committed to math education, we will be with you at every step in the journey!

This proposal equates to **\$26.00 per student, per year for five years**, including a Consumable Student Edition for each student, a B.E.S.T. Test Prep and Practice Workbook, and full digital access.
