

# Nearpod 2024-2025 Usage Data Report

Hernando County School District

Academic Services Division

April 9, 2025

# What is Nearpod?

- Nearpod is a robust platform that offers teachers multiple ways to teach. Through our multiple, interactive modalities, teachers can seamlessly instruct in the classroom, online, to small groups, and more!
- Nearpod offers real-time insights into student understanding through interactive lessons, interactive videos, gamification & activities.
- Nearpod helps educators make any lesson interactive, whether in the classroom or virtual. A teacher can create interactive presentations that can contain Quizzes, Polls, Videos, Collaborate Boards, and more. They can access thousands of premade K-12 standards-aligned lessons or upload your existing lessons and make them interactive using Nearpod in the classroom. Nearpod makes teaching easier with the interactive tools, resources, and content teachers need, all in one place.

# What interactive activities keep learners engaged during a lesson?

- Interactive activities keep students engaged by providing a creative and collaborative learning experience. With our growing options of Drag & Drop, Draw It, Time to Climb, Matching Pairs, Collaborate Board, Quiz, Poll, and Open-Ended Questions, teachers have multiple options to meet the specific needs of the diverse learners in their classrooms.
- The following chart demonstrates how your teachers are leveraging a variety of Nearpod's interactive features to keep students engaged and on pace!
