Resources - Education Strategy Team

Education Strategists work with you to understand your district's vision and goals to create customized solutions that improve teaching and learning.

Classroom Modernization Specialists, focused on audiovisual solutions and classroom design, can support you through trainings, consultative calls, webinars, and more.

We guide customers through decisions on the platforms that run your districts and drive transformation. We have dedicated in-house technical resources aligned to K-12 solution areas to help you better understand and integrate technology into your educational goals. We are a premier provider of Chromebooks to K-12 schools in the U.S.

In 2023, CDW•G deployed 1 out of every 3 Chromebooks into K-12 classrooms in the U.S. for a total of 2.5 million devices. We can support your full device lifecycle management needs and have experience handling complex deployments for the largest school districts in the country, even in adverse conditions.

A Partner You Can Trust – Even in Adverse Conditions

During a time of significant supply chain constraints, CDW•G delivered. One of the largest school districts in the country, Chicago Public Schools (CPS), relies on CDW Education to provide their students with Chromebooks. Despite worldwide shortages, CDW•G was able to deliver 20,000 devices over four months on-site and on-time.
