Summary Note
"The seventeen eye-opening essays in Disability Visibility, all w
disabled people, offer keen insight into the complex and rich dis
experience, examining life's ableism and inequality, its challeng
and celebrating its wisdom, passion, and joy. The accounts in th
readers to think about disabled people not as individuals who n
but as members of a community with its own history, culture, an
They offer diverse perspectives that speak to past, present, anc
generations. It is essential reading for all". From the publisher's
