

**Career Pathways Agreement between Wilton Simpson Technical College
And Pasco-Hernando State College
for the
Cosmetology Certificate
To
Industrial Management Technology A.S. Degree**

In accordance with Section 1007.233, Florida Statutes (F.S.), articulated college credit must be awarded upon initial enrollment in the associate degree program. To ensure students of this agreement are awarded appropriate career and technical education credit, and to ensure that career certificate education articulates to college credit toward associate degree programs, Pasco-Hernando State College agrees to grant, at no cost to eligible students, credit as outlined in this agreement. Furthermore, the award of credits described herein is contingent upon the conditions being met by Wilton Simpson Technical College, Pasco-Hernando State College and the student.

Award of credit process:

- Students must meet with the designated college staff member to verify completion of the articulated program, initiate the credit award process, and discuss course requirements for intended program of study at the college.
- To be awarded the college credit guaranteed by this agreement, students must present an original career certificate of completion or an official transcript that delineates program completion.
- Students entering the associate degree program specified within this agreement must meet the admissions requirements of the college and the program to which they are applying, as well as the common placement testing requirements outlined in section 1008.30, F.S., and Rule 6A-10.0315(2), Florida Administrative Code (F.A.C).
- Students must enroll at the Florida College System institution in the program specified herein within three years of completion of the Career Certificate program in order to redeem the college credit. Students who enroll after three years may be eligible for the awarding of credits on a course-by-course basis at the discretion of the postsecondary institution. (This may be done through demonstration of current industry knowledge, i.e. employer letter, proof of industry certification passage, approved student assessments, portfolio of work, etc.)
