## Hernando County School Board CODE OF CIVILITY

The education of our children depends on the ability of the community, parents and staff to share responsibilities, meaningful communication and welcomed participation. Civility reflects the ability of each person to affirm the collective worth of being respectful.

With that, all persons attending or speaking at a school board meeting shall:

- Listen carefully and respectfully
- Not use any offensive gestures, language or profanity
- Not use any threatening words or actions
- Not display any disruptive behaviors, temper or insulting/demeaning words
- Treat others as they would like to be treated
- Never bully, harass or abuse others

Note: The Board typically does not respond to remarks or questions made during citizen input. While no immediate action will be taken by the Board, the Superintendent may follow up the inquiries/comments by directing staff to intervene.

<sup>\*</sup>Any lack of civility by any person will result in that person being directed by the Superintendent, or Chairperson, to leave the premises. Failure to follow a directive will result in law enforcement assistance.
