Dear Members of the Hernando County School Board,

I am writing to formally submit a letter of intent to apply for the establishment of a new charter school in Hernando County. The proposed school, **You Thrive Elementary of Spring Hill**, will provide a nurturing and innovative educational environment for students in grades K-5. Our mission is to cultivate a learning atmosphere where every child is empowered to reach their full potential academically.

You Thrive Elementary of Spring Hill will be founded on the belief that every child can thrive when given the right tools, support, and opportunities. Our core values include academic excellence, individualized instruction, and community engagement. We aim to offer a personalized, student-centered approach to learning, utilizing project-based learning, experiential education, and a strong focus on both academic and personal growth.

Our vision for **You Thrive Elementary of Spring Hill** includes:

- A rigorous yet flexible curriculum that meets or exceeds state standards, with an emphasis on developing critical thinking, problem-solving, and creativity.
- A safe, inclusive, and supportive school culture that fosters respect, responsibility, and personal growth.
- Strong community partnerships with local organizations, businesses and families to enrich the educational experience.

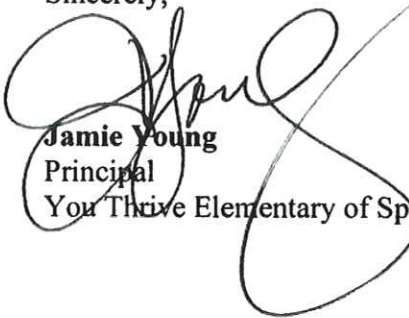

Creating Opportunities, Enriching Lives

We are committed to making **You Thrive Elementary of Spring Hill** a place where students not only excel academically but also develop the character and skills necessary to thrive in an ever-changing world. The charter application, which will be submitted in full accordance with the requirements of the Hernando County School District, will outline the specific details of our educational plan, governance structure, and financial projections.

We respectfully request your support as we move forward with the charter application process, and we are available to meet with you at your earliest convenience to discuss our proposal in further detail. Thank you for considering this exciting opportunity to enhance the educational offerings in Hernando County.

We look forward to collaborating with you to bring **You Thrive Elementary of Spring Hill** to life, and we are confident that, together, we can create a school that makes a lasting, positive impact on the children and families of Hernando County.
