8.	Price per mile for transporting debris	\$ 35.00 / mile

* Overtime rates must be in accordance with current US Department of Labor legislation.

RENTAL EQUIPMENT

Special rental equipment that is used on occasion, not in the regular course of restoration services. This does not include equipment owned and used by the company during the regular course of restoration services. Prior written approval from the Facilities & Construction Department is required. Rental is for active use of equipment. Payment for inactive use will not be allowed.	
Rentals are to be billed at net cost. A MAXIMUM OF 10% MARK-UP of cost of rental equipment will be allowed. No mark-up of sales tax allowed. A copy of the itemized rental invoice from the supplier must be included with all billings submitted to the District.	10 %

SUBCONTRACTED SERVICES

On occasion, it is recognized that subcontracted services may be necessary. This category is for special subcontracted services that are used on occasion, not in the regular course of restoration services, and only used with prior written approval from the Facilities & Construction Department.	
Subcontracted services are to be billed at net cost. Include a percentage allowed for overhead and profit. A MAXIMUM OF 10% MARK-UP of subcontracted services will be allowed. Indicate this percentage in the space to the right. No mark-up of sales tax allowed. A copy of the itemized subcontracted services invoice from the Subcontractor must be included with all billings submitted to the District.	10 %

NOTE: Contractor(s) must agree that any services provided because of and during a declared disaster will not include any mark-up and will bill the District at actual cost (no mark-up permitted). All fees, charges, and expenses of any kind, (travel time, gas, etc.) shall be included in the rates. NO additional costs/expenses shall be permitted, except as stated in the bid documents
