Required Qualifications:

- Bachelor's degree from an accredited institution in food and nutrition, institutional food
 management, business, or a related field
- Three (3) years of experience in commercial or non-commercial food service or nutrition.
- <u>Registered Dietitian credentialed with the Commission of Dietetic Registration or RD</u> <u>eligible.</u>
- Valid Food Safety Certificate.
- Must possess a valid Florida driver's license.

Desired Qualifications:

- <u>Master's Degree in related field.</u>
- Licensed Dietitian with the State of Florida
- <u>School Nutrition Specialist credentialed with the School Nutrition Association.</u>
- School Nutrition Association active membership.
- Knowledge of federal, state, and local laws and School Board policies as they pertain to the school food service programs.
- Knowledge of School Nutrition Association certification policies and procedures.
- Experience with K-12 distribution operations.
- Experience with food procurement and processing of USDA Foods.
- Experience in a managerial/or supervisory capacity.

Performance Responsibilities:

- Assist with establishing policies and procedures to ensure food is prepared and served in a sanitary and safe manner.
- Develop and conduct FNS school site reviews to determine efficiency of operation, financial status, and adherence to policies, procedures, and regulations.
- Monitor and update the department's HACCP-based food safety and sanitation program to meet federal, state and local regulations.
- Develop food quality standards to assist staff in evaluating menu items prior to service, and establish and communicate quality customer service standards to staff.
- Develop procedures for measuring and evaluating delivery systems, appearance and efficiency of serving area and serving techniques.
- Provide monitoring and technical assistance of school food service operations to ensure program compliance and maximum operational efficiency.

- <u>Monitor school site compliance to standards established for food preparation, food</u> <u>quality, meal service, sanitation, safety, inventory maintenance, financial procedures, and</u> <u>customer service.</u>
- Assist with the development, revision, and implementation of FNS standard operating procedures.
- <u>Plan and monitor activities related to the Summer Feeding Program as they relate to the development of summer menus. Coordinate forecasting, menu analysis paper products.</u> Work with Operation Specialist on the coordination of summer sites.
- <u>Plan, organize, and manage activities related to menu planning, food procurement,</u> product testing, product holds and/or recalls, and utilization of USDA commodities; and supervise, evaluate, train, and delegate work to appropriate staff.
- Coordinate the implementation of food service automation for nutritional analysis, inventory control and menu costing.
- Ensure all meals and a la cart foods offered to students comply with federal standards and requirements.
- Work with medical authorities and school food service personnel to provide student menus in compliance with documented dietary restrictions.
- Coordinate District Wellness Policy and work with related community programs.
- Coordinate menus, supplies, and staffing related to emergency shelters feeding.
- Assist with FNS training design and the development of training materials to ensure all
 programs are aligned to meet department growth opportunities.
- Assist in the oversight of the management internship and leadership development for all FNS personnel.
- Responsible for the oversight and precepting of dietetic interns.
- Assist with the training and professional development of all FNS staff.
- Assist Operation Specialists in developing and monitoring annual development plans, including long and short-term goals for FNS Managers.
- Educate parents and teachers about the Food and Nutrition Program.
- <u>Assist with guest speakers regarding information on nutrition, training and/or staff</u> <u>development topics.</u>
- Recommend annual budgetary items for food, paper, and equipment.
- <u>Prepare and/or assist with department and school based FNS program grant applications</u> and assist with related budget administration.
- Assist in the development and implementation of quality assurance processes and FNS site reviews for all schools.
- Assist in the participation of school health fairs and other events as they relate to nutrition and wellness.
- Serve as a resource in implementing activities that contribute to increasing participation in school breakfast, lunch, snack, and supper programs.
- Assist in the design and implementation of nutrition education materials.
- <u>Perform job responsibilities with sustained focus and attention to detail for extended periods of time.</u>
- Direct supervision of assigned support personnel. Responsibilities include planning, assigning, and directing work; addressing complaints and resolving problems; training employees and evaluating performance.
- Perform other duties as assigned.
