RE: Upcoming Challenges

April 10, 2023

Hernando County School District,

I hope that this email finds you well, I would like to forward a list of books to you that our committee has earmarked as books we are going to be challenging very soon.

We would appreciate it if the District looked into these books, namely who is bringing them in, and why the book review committee at the school approved them for circulation in their media center. This is a small preliminary list of books and not our main list of books that will be challenged.

- ***Drama*** by Raina Telgemeir (*Found at DES, SHS, EK8, WES, and DPMS*)
- ***Thirteen Reasons Why*** by Jay Asher (*Found at FCMS*)
- ***George*** by Alex Gino (*Found at FCMS*)
- ***Rick*** by Alex Gino (*Found at FCMS*)
- ***The Sun and Her Flowers*** by Rupi Kaur (*Found at CHS*)
- ***Milk and Honey*** by Rupi Kaur (*Found at CHS*)

Please feel free to share this with your fellow Board members and with Mr. Stratton. As mentioned in the past when we attempted to share these lists with the previous Board, the books vanished and were deleted out of Alexandria (i.e., "disappeared") but were not removed from the district.

Parents would complain to me during the campaign, and to Moms For Liberty that the books were still floating around the classrooms long after being allegedly removed from the libraries.

Let me know if you have any questions or concerns.

In Liberty,

**K. MONTY FLOYD**
