**RFQ 9009-3100-2103**

The Hernando County School Board ("HCSB"), Brooksville, Florida, invites qualified firms to submit a letter of interest and supporting documentation relating to professional ROOFING INSPECTION & CONSULTING SERVICES for miscellaneous projects to be awarded on an ongoing basis. Awarded firms will execute an AIA Standard Form of Agreement between Owner and Consultant (AIA C103-2015) for continuing services. Projects assigned under this Agreement will be limited to those with an estimated construction cost which does not exceed \$4 million and for consulting services for which the fee does not exceed \$500,000.

Submittals must be received before **2:00 PM on Friday, August 6, 2021** at the Facilities & Construction Department, Hernando County School Board, 8016 Mobley Road, Brooksville, Florida 34601 (352-797-7050). **Late submittals will not be considered.** It is the responsibility of the Respondent to allow sufficient time for submittals to transit through the US Postal Service and the HCSB distribution system to guarantee delivery prior to the deadline.

Submittal Requirements and information related to this RFQ are available on the Public Purchase website, including the Sample Architect-Engineer Agreement for Continuing Services and the associated Terms and Conditions. Interested respondents are **required** to register, free of charge, by visiting: [www.publicpurchase.com](http://www.publicpurchase.com).

**This RFQ #9009-3100-2103 replaces RFQ #9009-3100-2101 which was inadvertently closed by Public Purchase prior to the deadline for issuing any addenda and submission of proposals.**

**REQUEST FOR QUALIFICATIONS  
ROOFING INSPECTION/CONSULTANT CONTINUING SERVICES  
HERNANDO COUNTY SCHOOL DISTRICT**

**I. GENERAL INFORMATION**

**A. DESCRIPTION**

1. Hernando County School Board (HCSB) seeks qualifications from Professional Consultants **duly licensed as architects or engineers with prior related experience** to provide **consulting services for evaluation, design and construction administration of districtwide roofing and building envelope projects.**
2. Existing continuing service agreements shall be terminated upon approval of new agreements pursuant to this solicitation. Firms currently under contract must reapply to be considered for these services.
3. Submittals will be evaluated by a Jury Panel and judged according to the criteria described herein. Qualified Firms will be awarded an Architect-Engineer Continuing Service Agreement. The initial term of the Agreement will be two (2) years with the option for one (1) renewal for a two (2) year period, contingent upon mutual agreement.
4. Individual projects will be awarded on an as-needed basis and executed under the AIA Standard Form of Agreement between Owner and Consultant (AIA C103-2015) and the associated Terms and Conditions, sample forms included in Appendix B.
5. Selected firms will provide Architectural services on an on-call basis for projects throughout Hernando County. The individual projects assigned under this Agreement will be limited to those with an estimated construction cost which does not exceed \$4 million and for consulting services for which the fee does not exceed \$500,000 in accordance with Florida Statute 287.055 (2) g.

**B. MINIMUM QUALIFICATIONS**

Respondents must meet minimum qualifications in order to receive consideration. Respondents shall, at a minimum:

1. Be registered in the State of Florida under State Statute Chapter 481 to provide professional Architectural Services.
2. Have been in business operating within the State of Florida for a minimum of three (3) consecutive years under the current name and providing the services advertised under this RFQ.
3. Have successfully completed at least five (5) projects acting as the prime consultant for projects ranging up to \$4 million in value.
4. May not be disqualified by Florida Statute 287.133 (2) (a), which states as follows:  
*"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list."*

### C. SCOPE OF SERVICES

1. The scope of services for assigned projects will include multiple design phases as described in the AIA Standard Agreement between the Owner and Consultant. The number of phases and associated deliverables will be determined according to individual project needs.
2. Related services may also be required. These include, but are not limited to, structural engineering, fire protection engineering, HVAC engineering, civil engineering, electrical engineering and communication systems engineering. If these services are required and the proposer cannot perform them "in house", they would need to hire a sub-consultant. The proposer would be compensated for these sub-consultants fees with a reasonable mark-up. For the purpose of this RFQ, the jury panel will evaluate roofing architectural or engineering qualifications only without consideration of any proposed sub-consultants for related services.

### D. SELECTION PROCESS

1. The selection of consultants will be conducted in two stages in accordance with the Florida Statutes, 287.055, as follows:
  - a. Submittals will be screened and scored. Firms will be ranked and firms ranked the highest will be awarded continuing service agreements (AIA C103-2015). It is anticipated that no fewer than three (3) or no more than five (5) will be selected to enter into agreements with HCSD.
  - b. At such time as an awarded firm is being considered for an individual Project Assignment, firms will be invited to discuss their qualifications either in person or by telephone.
2. Award of an agreement does not guarantee that any number or any particular type of project will be assigned to the awarded firm. The Owner reserves the right in its sole discretion to select the projects, if any, to be assigned.

#### **D. DOCUMENTS**

Submittals must comply with the following requirements 1-5. HCSB retains the right to waive any minor irregularity or requirement should it be judged to be in the best interest of the District.

1. Three (3) hard copies and one (1) .pdf version on portable media. The .pdf version is to be submitted as a single bound document, including the cover letter.
2. Each submittal is to be accompanied by a Letter of Interest addressed to the Facilities Operations Department.
3. The submittal is to be no more than 25 double-sided 8 ½" x 11" sized pages in portrait orientation, minimum font size 10 point, permanently bound with spiral or plastic binder. Page count excludes covers, cover page, backings, cover letter or any tabs.
4. Submittal shall be formatted and tabbed in the exact form and numeric sequence stated herein.
5. Response to all items shall be complete.

### **III. EVALUATION CRITERIA**

Submittals will be evaluated and scored according to the Evaluation Form provided in Appendix A.

It is the intent of HCSB to select firms who have prior experience with educational projects. Respondents will be judged not only on prior experience but also on their ability to address issues critical to the success of a project, as outlined in this RFQ document. The following must be submitted (in order by Tab) and are elements that will be used to evaluate each respondent's qualifications.

#### **TAB 01 – FIRM QUALIFICATIONS AND CAPABILITIES**

Provide a brief overview of the firm's qualifications and experience related to educational projects or projects performed in a similar environment.

Describe the organization and size of the firm. Establish the lines of authority and communication. Organizational chart may be included.

Describe the firm's in-house capabilities, specifically with regard to engineering services.

Describe the firm's current and projected workload.

Establish whether the firm is a certified minority business enterprise as defined by the Florida Small and Minority Business Assistance Act.

#### **TAB 02 – STAFF QUALIFICATIONS**

Identify the Principals, project management staff, and other key staff.

Provide a brief overview of the individual staff qualifications and relevant experience related to educational projects or projects performed in a similar environment.

Present unique qualifications, certifications or knowledge that staff may offer, for example familiarity and/or certification with a recognized green building rating organization, expertise in modeling software, etc.

Describe the level of involvement by key staff in project management and on-site presence, particularly as it relates to representing the HCSB's interests during the construction phase.

**TAB 03 – PRIOR EXPERIENCE AND PERFORMANCE**

Present relevant projects, including information related to the complexity, project cost and schedule, specifically focusing on multi-phased projects on occupied campuses or in similar environments.

Demonstrate success on past projects. Testimonials and similar documentation may be provided.

Provide the names and current contact information for a minimum of three (3) Owner references for completed or ongoing projects, preferably public educational projects.

**TAB 04 – PROJECT APPROACH**

Describe the firm's policies and procedures with regard to Budget Evaluation and Cost Control:

- Ability to produce accurate cost estimates at appropriate intervals.

- Ability to control costs during design.

- Ability and willingness to participate in value engineering activities, maintaining the original schedule when a budget overage does not result from Owner-requested scope changes.

Describe the firm's policies and procedures with regard to Quality Control:

- Procedure for investigating existing conditions during design.

- Ability to review documents for coordination and code compliance, including the work of consultants, so as to avoid delays resulting from incomplete submittals to the HCSB.

- Ability to improve energy efficiency through the use of an integrated design process, life cycle costing, the use of an energy standard and selection of energy efficient materials, systems and equipment.

- Ability to design for durability and maintainability.

Describe the firm's policies and procedures with regard to Communication and Reporting:

- Ability to produce detailed meeting minutes.

- Ability to produce thorough and timely field reports during Construction Administration.

- Provide examples to document proficiency in reporting.

Describe the firm's policies and procedures with regard to scheduling design phase tasks:

- Ability to manage the work to meet the established schedule.

- Ability to evaluate needs and plan design tasks so as to allow adequate review time for environmental agencies, local government, plans examiners, and HCSB reviewers.

Describe the firm's commitment and strategy with regard to project close out:

- Continuity through the end of the punch list period.

- Track record with regard to timely close-out on educational projects.

- Ability to produce quality record documents, specifically providing examples of information recorded other than field-marked changes provided by the Contractor.

- Ability to review close out documents for compliance with the Contract Documents.

**TAB 05 – WORK LOCATION**

Describe where the firm's office(s) are located and where design and construction documents will be produced.

Describe how the proximity of the firm's office may affect construction administration tasks and coordination with the HCSB project manager.
