Title and Board Action Requested

Approve the purchase of Applicant Tracking System and TalentEd software from Powerschool and authorize the purchase for \$11,460.75.

Executive Summary

The Director of Human Resources, on behalf of the Superintendent of Schools, hereby requests the Board approve the request to purchase for Power Schools - Applicant Tracking System and Talent Ed not to exceed \$11,460.75. These are two of the digital platforms that we use to onboard applicants and send out secure information to employees. This purchase is being brought to the board for approval because we have exceeded the threshold by purchases made from other departments.

This is a sole source purchase.
